

Patient Education FAQ

Short educational answers. They do not replace your visit.

Will I be prescribed a medication?

- Only if a licensed clinician decides it is appropriate. Screening is not a guarantee.

Is the drug included in membership?

- No. You pay Eli Lilly or Novo Nordisk. Membership is cash-pay clinical care.

What if I feel sick on the medicine?

- Use conservative tips and contact SVH. For emergency symptoms, call 911.

Do I still need to eat well and move?

- Yes. Protein, resistance training, and walking support muscle and overall health.

Is this emergency care?

- No. Call 911 or go to the nearest emergency department.
